

RIO

Age: Juvenile

Sex: Male

Type of Dingo: Desert

Colour: Ginger

Companion: Polly

Year of Arrival at the Sanctuary: 2022

Background:

I'm a wild-born dingo, rescued from a mine site on the Great Sandy Desert in Western Australia. I was in a bad way when the humans found me, but I recovered and adapted to Sanctuary life. I now am a happy and playful boy. I wasn't always this way but now with love and care from the Sanctuary, the humans say I'm doing really well.

About:

As I have settled into life at the sanctuary, I have become very vocal...I am always up for a good chat! I am small but mighty and am not afraid to hold my own.

Other Info:

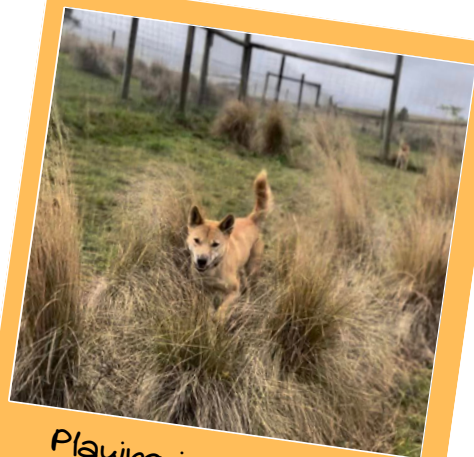

If I find treasure (a nice feeling stick), I'm known to do zoomies to show it off!

Such a handsome dingo!
