

WINKYE

Age: Adult

Sex: Male

Type of Dingo: Desert

Colour: Ginger

Partner: Cooma

Year of Arrival at the Sanctuary: 2013

Background:

I was born at the Dingo Discovery Sanctuary and Research Centre.

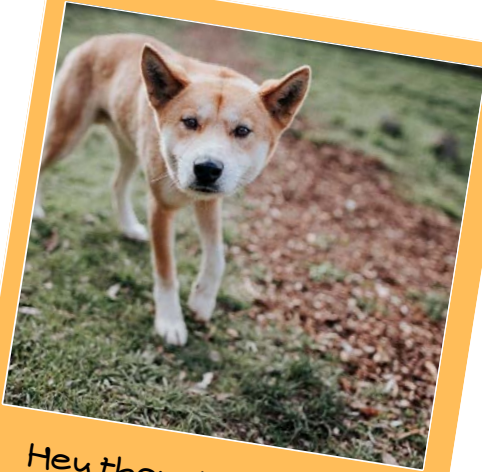

About:

My full name is Winky Warnu, which is indigenous for 'Doesn't Listen'. This very much fits my character at most times from what the humans say!

Though I can be a very shy boy, I have a big heart and warm personality. Although, I can be quite cheeky when you provide me with new things like beds and coats for Ibis. They are fun to chew!

Other Info:

I've been told I make quite a unique sound when I want food. Think of a very hungry Chewbacca... whoever that is!

Hey there! Got treats?

Enjoying the sun!

Always smiling!
